

# NEARSCAPES™ 4.1

ALL-ENVIRONMENT SPEAKER SYSTEM

## NEAR IGS10M SUBWOOFER AND LB4TM SPEAKERS WITH GS4 STAKES

**NEAR® Outdoor Speakers** combine the rugged durability of commercial components with the sound performance of indoor audiophile-grade speakers. A system of four LB4TM satellites and single IGS10M subwoofer evenly covers a 60' x 40' (2400 sq. ft.) area with smooth, high definition, lifelike music. A system of two LB4TM satellites and the IGS10M evenly covers a 30' x 40' (1200 sq. ft.) area.

### IGS10M In-ground/On-ground

#### Dual Voice Coil Subwoofer

- 10" Metal Alloy Woofer with dual 16 Ohm Voice Coils
- Bandpass Enclosure Alignment for High Output, Low Distortion Bass
- Built-in 24dB/octave Electrical Low Pass Filter (crossover)
- 16 Ohm Input plus built-in Multi-tap 70V Transformer (128W, 64W)
- Color-through, UV-Resistant, Colorfast Enclosure that resists marring
- 5 year Warranty

### LB4TM 2-way Full-Range Speaker

- 4.5" Metal Alloy Mid/Bass Driver with 1" Metal Alloy Dome Tweeter
- Wide dispersion design ensures even coverage over a wide area
- 16 Ohm Input plus built-in Multi-power Tap 70V Transformer (32W, 16W, 8W, 4W, 2W)
- Color-through, UV-Resistant, Colorfast Enclosure resists marring
- Waterproof Input Connector
- Corrosion-proof Grilles and Hardware
- 12 year Warranty

	NEAR	The Competition
Mid/woofer Dia.	4.5"	3.5"
Tweeter Dia.	1"	No Tweeter
Satellite Cone Material	Heat Tolerant Metal Alloy	Aluminum
Dispersion	Wide - 120°	Narrow - 60°
Satellite Input	Low Impedance 16 Ohms with built-in 70V Multi-wattage Power Taps	Low Impedance 8 Ohms only
Satellite Warranty	Twelve (12) years	Three (3) years
Subwoofer Cone Dia.	10"	8"
Subwoofer Cone Material	Heat Tolerant Metal Alloy	Heat Averse Plastic
Subwoofer Input	Low Impedance 16 Ohms with built-in 70V Dual-wattage Power Taps	Low Impedance 8 Ohms only
Subwoofer Warranty	Five (5) years	Three (3) years
