ABOUT US

Founded in 1993, Channel Vision Technology has evolved into a leading manufacturer of home technology solutions and ranks among the top structured wiring providers in the consumer electronics industry. Channel Vision caters to both residential and commercial markets to provide innovative solutions in home automation, surveillance systems, structured wiring, home intercom systems, IR repeating and audio distribution.

Our broad-range of electronic solutions is designed to provide lifestyle enhancements for residents, while equipping homes and businesses for greater safety, convenience and entertainment.

MARKET'S SERVED

MDU (Multi - Dwelling Units)

- RF & Video Distribution
- Structured Wiring
- Audio Distribution
- Intercom Systems

Commercial Buildings

- Camera Surveillance
- Audio Distribution
- Structured Wiring

New Home Construction

- RF & Video Distribution
- Audio Distribution
- IR Remote Control
- Structured Wiring
- Intercom Systems
- Camera Surveillance

CHANNEL VISION SERVICES

20 Year Certified Extended Warranty Program

- Includes all passive Structured Wiring in certified installs
- Design, trouble-shoot & certify systems
- Free CEU certification courses
- Efficient installs, higher profits & added value
- Become a Certified Installation Specialist & receive referral leads, marketing support & special promotions

Channel Vision 5 Star Program

- 24/7/365 technical support
- 1/10/20 year warranties
- Free panel design & system layout
- Custom manufacturing
- CEDIA, BISCSI & NBFSA approved trainings with continuing education credit

Builder Advantage Program

- Well-connected home marketing
- Model home and showroom display discounts
- Large selection available with pre-packaged systems

DEALER PROGRAMS

At Channel Vision, we always have our dealers goals in mind. All of our dealer programs are designed to make doing business with Channel Vision as simple and profitable as possible.

Channel Vision continues to develop exclusive programs to ensure that our dealers receive the best customer service and support in the industry.

- Enjoy a 30% trade-in discount on next-generation product upgrades
- No need to conform to time lines to qualify for the trade up
- Product can be working or in non-working condition
- Our entire line of products are eligible (hard-drives excluded)

- Install our technology in a home development and we will discount those products
- Exclusive to authorized Channel Vision dealers
- Year-round discounts on wall plates, connectors & structured wiring products

- Exclusive to authorized Channel Vision dealers
- Demonstration discounts for your showroom

- Channel Vision's technical team will design a custom solution for your project
- We provide a CAD drawing together with a recommended parts list
- Save time, resources and money

GUIDE TO PART NUMBERING

Structured Wiring:

Tools & Connectors: **1000-3112**

» Enclosure Double Doors.....	C-01_DD
» Enclosures.....	C-01_E
» Hinged Covers	C-01_HC
» Passive Splitters	C-02_
» Amplified RF Splitters.....	C-03_
» Telephone Distribution	C-04_
» Data Distribution	C-05_
» Fiber Optics.....	C-06_
» Power Distribution.....	C-07_
» Enclosure Accessories	C-13_
» Analog Modulators.....	E_
» Hybrid Splitters.....	HS_
» Digital Cable Modulation Hubs	P_
» Taps, Blanks are the number of dBs.....	TP_dB

Surveillance:

» Surveillance Cameras.....	6002-6822
» IP Cameras.....	65_
» Analog Cameras.....	68_
» DVRs.....	DVR_
» NVRs.....	NVR_

Audio:

» A-Bus Audio.....	AB_
» Aria and Crescendo Audio.....	AO_

Speakers:

» In-ceiling Speakers.....	IC_
» In-wall Speakers.....	IW_
» Outdoor Speakers.....	OS_
» Left-Center-Right Speakers	LCR_

IR Remote Control:

» IR.....	IR_
-----------	------------

Home Intercom Systems:

Part numbering for Channel Vision intercom systems denotes the series of intercom station, optional camera usage, door station color and circuit board.

Door Station:

- » DP
- » IU
- » DSK
- » SI
- » SIK

Optional Camera:

» No Camera.....	-0_
» Analog Camera	-6_
» IP Camera.....	-7_

Ex: DP-0, DP-6

Finish Style:

» White	212
» Polished Brass	222
» Antique Brass.....	232
» Chrome.....	242
» Oil Rubbed Bronze	252
» Antique Copper.....	262
» Black.....	282
» Satin Nickel.....	302

*Ex: DP-0212, DP-6212 | IU-6212, IU-6222
DP-0222, DP-6222 | IU-6212, IU-6222*

Circuit Board:

» For use with P-0920 & P-0921.....	_
» For use with Panasonic	P
» For use with CAT5 Intercom Systems.....	C
» Amplified audio included in PC Board for use with P-0920 & P-0921.....	A

Ex: DP-6212P, DP-6212C

STRUCTURED WIRING

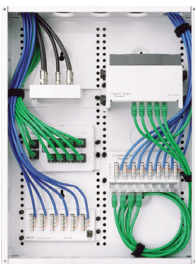

With Channel Vision's Structured Wiring Systems, commercial and residential wiring is designed to be transparent and straightforward in order to facilitate upgrades and system modifications in the future.

FEATURES AND BENEFITS

- With one of the largest selections of structured wiring enclosures on the market, Channel Vision offers enclosures ranging from 12" to 50" — also the largest enclosure on the market.
- Simple, snap-in modules for cameras, video, voice, data, power, fiber optics, audio and communication systems.
- Solid steel construction with a pure white-coated finish

FREE SYSTEM DESIGN SERVICE

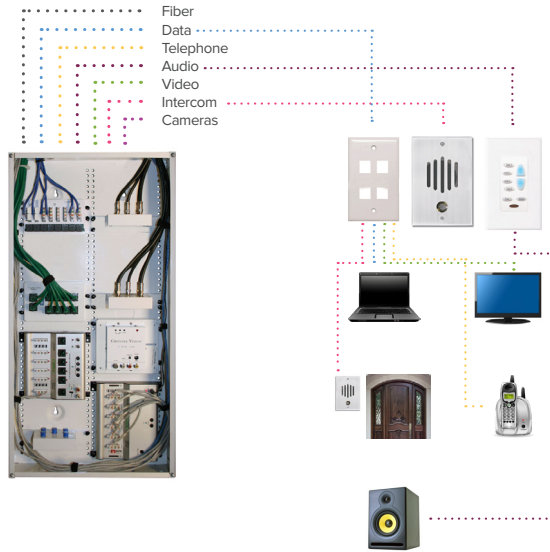

3 Quick and Easy Steps to a Complete System

1. Visit the website at channelvision.com and complete the form
2. We'll send you a complete system design and a list of product needed
3. Submit a list of the products needed to your dealer or distributor

For an authorized dealer or distributor near you, visit channelvision.com or call (714) 424 - 6500.

ENCLOSURES

Structured Wiring Enclosures. Solid steel with a pure white powder coated finish.

12" Enclosure
■ C-0112E

12" Plastic Enclosure with Hinged Cover
■ C-0113M

19" Enclosure
■ C-0119E

28" Enclosure
■ C-0128E

38" Enclosure
■ C-0138E

50" Enclosure
■ C-0150E

ENCLOSURE COVERS

Screw Down Covers
Screw down cover extends beyond the edge of the enclosure to conceal drywall cuts.
■ 12" - C-0112C
■ 19" C-0119C

Hinged cover
■ 19" - C-0119HC
■ 28" - C-0128HC
■ 38" - C-0138HC
■ 50" - C-0150HC

Double Hinged Door
Hinged Double Door for the 38" enclosure is split so either the top, bottom or both sections can be opened at any time.
■ 38" - C-0138DD

Designer Covers
Designer Hinged Doors provide an attractive alternative with cooling fan option
■ 28" - C-0128D
■ 38" - C-0138D
■ 50" - C-0150D

28" Framed Door
Channel Vision's 28" Framed Door
■ 28" - C-0128FD

50" Extension Ring
Channel Vision's 50" Depth Extension Ring makes the enclosure deeper.
■ C-1351 - 50" - 1.75" depth

ENCLOSURE ACCESSORIES

Vertical/Horizontal Bracket
■ C-0308 - 12" x 5-1/2"
Horizontal
■ C-0309 - 6" x 9" Vertical

Snap Pin Mini Grip
■ C-1302

Universal Product Holder
■ C-1311 - 6-3/8" x 3-1/4"
■ C-1312 - 11-3/4" x 3-1/4"

Grid Lifting Wire Chase
■ C-1320 - 6.5" x 13.25"

Hinged Expansion
■ C-1321 - 13" x 13" (For C-1351)
■ C-1332 - For Bose® Amplifier

Fan Kit for Designer Doors
■ C-1322

Universal Hinge Kit
■ C-1324
■ For use with C-0112C & C-0119C

Mounting Plates
■ C-1327 - Universal PCB Mounting System
■ C-1332 - Hinged Mount for Bose® Amp

Mounting Clips for Steel Studs
■ C-1328 for 3/8" Steel Studs
■ C-1329 for 1/2" Steel Studs
■ C-1330 for 5/8" Steel Studs

Lock & Key Kit
■ C-1350 - 50" HC
■ C-1352 - 19", 28", 38" HC

COMBO MODULES

Telephone and RF Distribution
 ■ C-0214 - 1x6 RJ45 / 1x4 Coax
 ■ C-0216 - 1x6 110 Punch Down / 1x4 Coax

VIDEO DISTRIBUTION & RF MODULATION

Modulating with Channel Vision's Digital Cable Combiner

- 2 Sources, 8 Zones Amplified Splitter and Digital Cable Combiner
- Combines cable TV with modulated signals and amplifies up to 8 audio outputs
- Eliminates cable interference without filters in order to efficiently modulate channels
- Built-in IR engine over coax

1-Input Micro Modulator

- E1200 / C-0301
- 25dBmV output
- Wide channel range cable 65-135, UHF 14-78 (excluding 95-99)
- Push button channel selector
- C-0301 - Mounted on brackets for use with enclosures

2x1 RF Combiner with IR Controlled Switch

- P-0321
- Source switching between cable and modulator (or Antenna)
- IR engine over coax built-in

Affinity 3x8 Amplified Splitter and Modulator Cable Combiner

- P-0328 / P-0328A
- Combines cable TV with modulated signals and amplifies up to 8 outputs
- Eliminates cable interference without filters to block channels
- IR engine over coax built-in
- P-0328A - No built-in IR

4-Input Modulator with IR

- E4200IR / C-0354
- 25dBmV output
- Wide channel range cable 65-135 (excluding 95-99) UHF 14-78
- Built in IR engine for use with the IR-4101
- 75' cable included to the P-1400
- C-0354 - Mounted on brackets for use with enclosures

Affinity Mini Remote

- A0511
- Use with P-0328 and P-0321

75 ft. Amplified Component Cables

- P-1400
- Amplifies component, composite, S-Video for quick legacy product installation
- Pre-connected connectors S-Video, component, composite, IR 3.5mm

1-Input MTS Stereo

- CVTIStereo-II
- 1-Input, table-top design, stereo audio
- Full 30+dBmV output (adjustable)
- LED Channel Display
- Video level adjustment

Audio/Video Baseband Distribution

- VDA-12
- 1 in 12 out
- High power output drive stage
- 500 lines resolution
- Video gain adjustable

SURVEILLANCE SOLUTIONS

Channel Vision's surveillance systems offer a range of solutions to meet the security needs of both residential and commercial surveillance.

FEATURES AND BENEFITS

- Monitor your surveillance cameras from anywhere in the world using an internet browser or Channel Vision's Smartphone application.
- Surveillance cameras can be viewed in real-time with superior image quality and IR LEDs for night viewing.

CORE COMPONENTS

IP CAMERAS

ANALOG CAMERAS

DIGITAL VIDEO RECORDER

NETWORK VIDEO RECORDER

INTEGRATION OPTIONS

CHANNEL VISION'S IP CAMERAS ARE BATTLE TESTED WITH:

SURVEILLANCE RECORDING

HE Series Hybrid DVRs

- **DVR-4HE / DVR-8HE / DVR-16HE**
- Windows and Mac Software included
- Supports up to 960H High resolution cameras
- Smart Search and Playback features
- Mobile monitoring with your Smartphone, laptop or tablet through the Channel Vision app
- IP Camera recording

Network Video Recorders

- **NVR-04N / NVR-09N / NVR-016N**
- 4, 9 or 16 Channel NVRs
- Built-in POE Switch
- Access from monitor, internet or smartphone
- Supports POE, Static, DHCP IP and DDNS
- ONVIF and RTSP Stream Input

SURVEILLANCE KITS

Hidden DVR Kit

- **DVR-4HEKIT1**
- 4-Channel DVR in enclosure with 1TB Drive
- IR Repeating System included (IR-5010)

Camera & DVR Kit

- **DVR-4HEKIT2**
- 4-Channel DVR with 1TB Drive
- 4 Outdoor 6332-0 Bullet Cameras

Camera & DVR Kit

- **DVR-4HEKIT3-W**
- **DVR 4-HEKIT3-0**
- 4 Channel DVR with 1TB Drive
- 4 Outdoor 6810-W Cameras

BALUNS

1 Camera CAT5 Passive Video Balun

- **B-201**
- Sends video 1,000ft. on twisted pair

Ethernet over Coax Converter Kit

- **B-204**
- Uses legacy analog video cabling RG-59 or RG-6
- Functions with IP cameras (Coax only, no POE)
- Transmitter and receiver included, 10/100Tbase

CAT5 Camera Balun for Camera, Audio & Power

- **B-300**
- Includes both transmit and receive units
- Sends video, power and audio 1,000ft. on CAT5

CAT5 Balun Audio, Video & Power Interface

- **3112**
- Converts any standard camera to CAT5 cable
- Works with the P-6014 CAT5 Camera Sequencer

Amplified Balun Kit

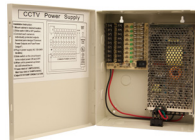

- **B-321**
- Sends analog video 7,000 ft. on CAT5
- 2 Power supplies included

CAT5 Camera Sequencer

- **P-6014**
- 4 camera switcher
- CAT5 balun input
- RS232 Control

SURVEILLANCE ACCESSORIES

9 Camera Power Supply

- **5011**
- Individual fuses
- 10 Amps

18 Camera Power Supply

- **5012**
- Individual fuses
- 12 Amps

12Vdc Camera Power Supply

- **5015PS - 500mA**
- **5017PS - 1000mA**

Wall Mount for 6810

- **5038**

Junction Box for 6543

- **5039**

Wallmount for 6564 or 6565

- **5042**

Camera Microphone

- **5104-MIC**

IP Surveillance Speaker/Mic

- **5106**
- 2-way amplified communication for IP cameras with noise cancellation and microphone

INTERCOM & TELEPHONE ENTRY SYSTEM APPLICATION

Single Door Telephone Entry Controller

■ P-0920

The P-0920 provides communication between the front door intercom and any phone in the house. Install the P-0922 with this controller to forward intercom communication to your cell phone or an alternative landline.

2-Door Telephone Entry Controller

■ P-0921

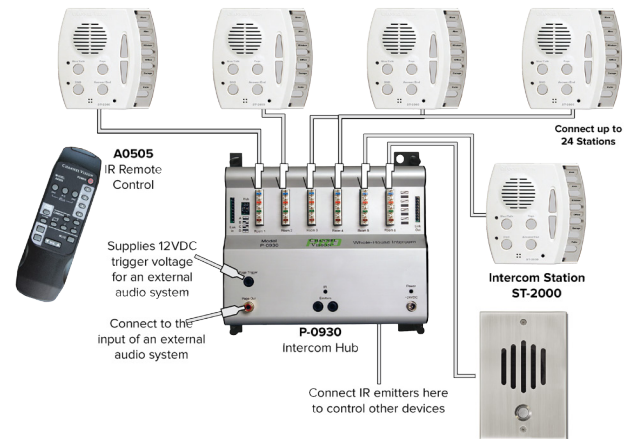

The P-0921 telephone entry controller allows communication between two different Channel Vision door intercoms and any phone in the house. This system can also be used with the P-0922 Mobile Intercom Connect to forward intercom communication to your cell phone or an alternative landline.

Room-to-Room Intercom Controller

■ P-0930

The P-0930 provides communication between any intercom Station in the house. The controller is for use with the ST-2000 or the ST-3000 intercom stations, and allows you to connect up to 22 different stations.

- Up to 2 doors and 22 stations
- IR remote control of room stations
- Video Interface to your front door (ST-3000)
- Modes - Monitor, do not disturb and privacy
- Hands-free communication
- Paging through the whole-house, specific room or audio system
- Single CAT5 wire to each station
- Automatic triggering relay

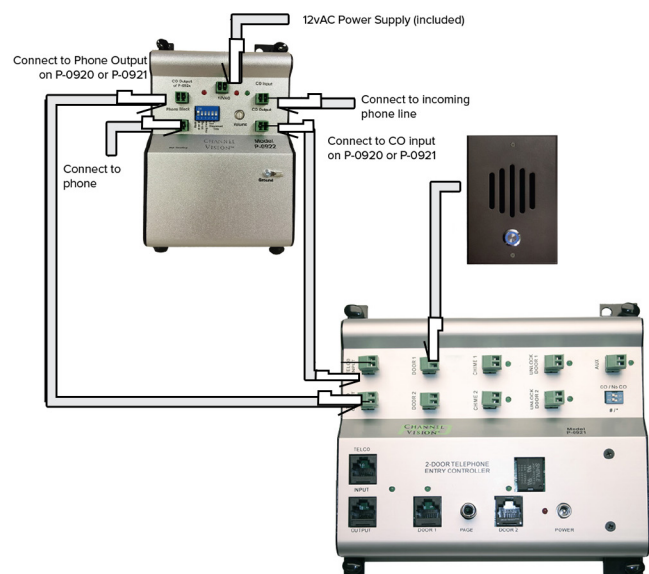

Mobile Intercom Connect

■ P-0922

The Mobile Intercom Connect works in conjunction with the P-0920 or P-0921 to forward front door intercom communication to your cell phone. This companion system allows users to speak to visitors at your front door from your mobile phone or an alternative landline and unlock the door using the keypad on your phone.

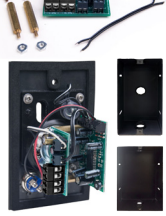

- Built-in Surge Suppression to protect your entire intercom system from voltage spikes and lightning strike surges
- Option of 3 to 5 rings before forwarding intercom communication
- Dial # 7 on your phone to unlock the door.
- Option to let the visitor leave a recorded message

INTERCOM SYSTEM ACCESSORIES

Intercom System Remote Control

■ A0505

- Master remote for Channel Vision's home intercom system. Easily controls your home intercom system.
- No programming necessary
- Compatible with: P-0930, ST-2000

Outbound Call Forwarding Module

■ P-0933

- Answer the door from any remote phone number
- Activate the door strike from your cell phone
- For use with P-0930 hub

Home Intercom Door Strike Module

■ ST-C5IDS

The ST-C5IDS is a relay module that provides a contact closure whenever it is activated by the ST-3000 or ST-2000 Intercom Station. The contact closure can be used to activate an electronic door strike mechanism or gate opener, allowing the homeowner to answer or unlock the door from any intercom station in the house.

- Compatible with ST-2000 & ST-3000 Home Intercom Stations
- Relay settings for N.O. and N.C. Operation
- Variable relay times

AUDIO

Crank up the volume! Channel Vision offers three lines of single and multi-room audio solutions to allow you to choose an entertainment system that will complement your lifestyle. With everything you need for a complete home entertainment system, Channel Vision takes pride in providing our clients with exceptional audio quality and control in a single streamlined system.

FEATURES AND BENEFITS

- Up to four different sources can be played in sixteen different zones simultaneously
- CAT5 wall docks for iPod® or Android® allow you to listen, charge and control your music from any room in your home or business
- Channel Vision speakers feature high power handling capability that provides true stereo sound quality, not simply background music
- IR Repeater Systems provide single room and multi-room control over existing TV coax or CAT5 wire
- Channel Vision's line of Bluetooth Audio allows your music to follow you from one room to the other by automatically syncing to each source

- 6 each: Keypads (A0127)
- 1 each: Remote Control (A0505)
- 6 Pairs: In-ceiling Speakers (IC615)
- Available in White (A-KIT3) or Ivory/Almond (A-KIT3IA)

A-BUS AUDIO SYSTEMS

Features of the 4x4 A-Bus Audio System

- 4 source input of RCA or CAT5
- 4 zones, expandable up to 16 zones
- 300ft. CAT5 wiring to each keypad amplifier
- Control source equipment with IR control
- Ability to integrate a local source override with an iPod dock or alternative source

AUDIO/VIDEO KITS

1 x 4 A-Bus Audio Kit

- AB-901 / AB-902
- (4) Amplified Keypad (AB-134W)
- (1) Single Source Module (AB-203)
- (1) 4-Zone Distribution (AB-404)
- (1) Remote Control (A0505)
- (2) Dual Head IR Flasher (IR-3002)
- (4 pairs) In-ceiling speakers (IC615)
- Available in Ivory/Almond (AB-901A/AB-902A)
- J-110 Punchdown Tool & Power Supply (AB-T2454) included
- **AB-902 Kit does not include speakers**

4 x 4 A-Bus Audio Kit

- AB-904
- (1) 4 Source, 4 Room ABUS Matrix (P-1044)
- (4) 4 Source Amplified Keypad (AB-134)
- (2) Dual Head IR Emitter (IR-3002)
- (1) Remote Control (A0505)
- (1) Punch Down Tool (J-110 Tool)
- Available in Ivory/Almond (AB-904A)

Single Zone Bluetooth Audio Kit with In-Ceiling Speakers

- AB-907W
- (1) Single Source Module (AB-203)
- (1) Bluetooth Local Source Module (AB-303)
- (1) Volume Control Keypad (AB-134)
- (1 Pair) 6.5" In-Ceiling Speakers (IC608)
- Requires CAT5 or CAT6 cabling (not included)
- Power supply included (AB-T2410)

Single Zone Bluetooth Audio Kit with In-Wall Speakers

- AB-908W
- (1) Single Source Module (AB-203)
- (1) Bluetooth Local Source Module (AB-303)
- (1) Volume Control Keypad (AB-134)
- (1 Pair) 6.5" In-Wall Speakers (IW603)
- CAT5 or CAT6 cabling
- Power supply included (AB-T2410)

Two-Zone Bluetooth Audio Kit with In-Ceiling Speakers

- AB-909W
- (1) 2-Zone A-Bus Audio Distribution Module (AB-412)
- (2) Volume Control Keypad (AB-135)
- (1) Bluetooth Local Source Module (AB-303)
- (2 Pair) In-Ceiling Speakers (IC608)
- Power supply included (AB-T2410)

Two-Zone Bluetooth Audio Kit with In-Wall Speakers

- AB-910W
- (1) 2-Zone A-Bus Audio Distribution Module (AB-412)
- (2) Volume Control Keypad (AB-135)
- (1) Bluetooth Local Source Module (AB-303)
- (2 Pair) In-Wall Speakers (IW603)
- Power supply included (AB-T2410)

Two-Zone Bluetooth Audio Kit

- AB-911
- (1) 2-Zone A-Bus Audio Distribution Module (AB-412)
- (2) Volume Control Keypad (AB-135)
- (1) Bluetooth Local Source Module (AB-303)
- Power supply included (AB-T2410)

AUDIO DISTRIBUTION

Single-Source / Single Room Distribution Module

- **AB-203**
- Single CAT5 output for audio distribution for single room or with AB-404, P-1014, P-1044
- 2 IR emitter outputs for control of audio equipment

Panel Distribution Module

- **AB-404**
- Accepts source from AB-203, AB-301, AB-303, AB-315
- Distributes to 4 zones
- Expansion to an unlimited number of zones
- *Requires power supply AB-T2454

NEW **1 Source 2 Zone Audio Distribution**

- **AB-412**
- Local and CAT5 source input
- 2 zones, Power and IR
- Power supply included (AB-T2410)
- *Requires 2 gang box

NEW **1 Source 4 Zone Audio Distribution**

- **AB-414**
- Local and CAT5 source input
- 4 zones, Power and IR
- Power supply included (AB-T2454)

1 Source 4 Zone Audio Distribution

- **P-1014**
- Local and system audio inputs with selectable priority
- Expansion to an unlimited number of zones
- Power supply included (AB-T2454)

4 Source 4 Zone Audio Matrix

- **P-1044**
- Expandable to 16 zones
- Power supply included (AB-T2454)

Bluetooth Audio and Wall Docks

On-Wall Dock for iPod

- **AB-315**
- Compatible with all A-BUS Audio Systems
- Charges 30 pin iPod
- *Shown with volume control keypad, sold separately

Bluetooth Wall Dock for Apple Products

- **AB-317**
- Senses audio to automatically override the main audio source
- Uses CAT5 cabling
- *Shown with volume control keypad, sold separately
- Bluetooth streaming wirelessly
- Lightning connector charging
- Security PIN code

Android Wall Dock for A-BUS Audio Systems

- **AB-318**
- Automatic Power-Saving mode
- Mounts in a Standard 2-gang box
- Senses audio to automatically override the main audio sources

ACCESSORIES

A-Bus Local Source

- **AB-301**
- Used for local input or whole house input

Bluetooth Local Source **NEW**

AB-303

- Auto connect to your wireless device
- Security code password
- Micro USB for code programming

A/V System Controller

- **A0505**
- Easily controls your AV system
- No programming necessary
- For use with P-1044, AB-134W, A4623, A4400/A4400R, AB-313, A0312, A0314

Multi-Source Volume Control Keypad

- **AB-134W**
- High output class D amp design
- Remote or local push-button control
- Back-lit keypad with blue LED indicators
- Available in Ivory/Almond (AB-134IA)

Single Source Volume Control Keypad

- **AB-135W**
- High output class D amp design
- Back-lit keypad with green LED indicators
- Does not provide IR control
- Available in Ivory/Almond (AB-135IA)

Power Supplies

- **AB-T2410**
- 24vDC / 1Amp
- **AB-T2454**
- 24vDC / 2.3 Amp

CRESCENDO™ AUDIO SYSTEMS

Features of the 4x4 Crescendo Audio System

- 4-Source 4-Zone CAT5 audio system matrix
- Volume Control Keypad can be remotely controlled through IR
- Expandable to up to 4 sources and 16 zones
- Add the Bluetooth Wall dock for wireless audio

AUDIO/VIDEO KITS

Single Room Amplified Audio Kit

- A0910
- 1 each: 80 Watt Class D Amplifier (A0240)
- 1 each: Speaker to Line Level Converter (A0302)
- 1 each: CAT5 Audio System Keypad (A0125)

1 x 4 Amplified Audio Kit

- A0912
- 4 each: 80 Watt Class D Amplifier (A0240)
- 4 each: Speaker to Line Level Converter (A0302)
- 4 each: CAT5 Audio System Keypad (A0125)
- 2 each: IR emitter (IR-3002)
- 1 each: 1-Source x 4-Zone Audio Hub (P-2014)

4 x 4 Amplified Audio Kit

- A0914
- 1 each: 4x4 Matrix Distribution Hub - P-2044
- 4 each: 80 Watt Class D Amplifier - A0240
- 4 each: Speaker to Line Level Converter - A0302
- 4 each: CAT5 Audio System Keypad - A0125
- 4 each: IR emitter - IR-3001

Single Room Docking Kit

- A0915
- iBus Wall Dock for iPad - A0315
- 100W Amplifier - A0350
- Keypad Controller - A0129
- In-Ceiling Speakers (one pair) - IC608

Single Room Bluetooth Docking Kit

- A0916
- Bluetooth Wall Dock for Android - A0318
- 100W Amplifier - A0350
- Keypad Controller - A0129
- In-Ceiling Speakers (one pair) - IC608

Single Room Bluetooth Kit

- A0917
- Bluetooth Local Source Module - AB-303
- 100W Amplifier - A0350
- (1) Pair In-Wall Speakers - IW603
- Keypad Controller - A0129

4 x 4 Amplified Audio Kit

- A0918
- 1 each: 4 x 4 Matrix Distribution Hub - P-2044
- 4 each: 100W Amplifier - A0350
- 4 each: Volume Control Keypad - A0125
- 4 Pairs: 6.5" In-Ceiling Speakers - IC615

Single Zone, High-Powered Bluetooth Audio Kit

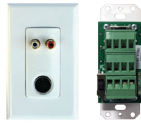

- A0919
- 1 each: 100W Flush Mount Amplifier (A0350)
- 1 each: Volume Control Keypad (A0129)
- 1 each: Bluetooth Local Source Module (AB-303)

AUDIO DISTRIBUTION

80w Class D Amplifier

- **A0240**
- 80 Watt amplifier
- Audio-sensing power-down to conserve energy

Audio Subwoofer Connection

- **A0302**
- Provides line-level output for re-amplification
- Sub mode allows a subwoofer to be added to an audio system

100 Watt Flush Mount Amplifier

- **A0350**
- Pre-amp audio outputs for powered subwoofer
- Local audio input
- Audio-sensing power-down to conserve energy
- Requires 2 gang box

1 Input 4 Zone Distribution

- **P-2014**
- Local and main audio inputs with selectable priority
- Expansion to an unlimited number of zones
- Functions with A0350 amplifier

4 Input 4 Zone Audio Matrix

- **P-2044**
- Expandable to 16 zones
- For CAT5 Audio Systems
- Functions with A0350 amplifier

VOLUME CONTROL

Volume Control

- **A0125**
- Digital volume control for P-2014 and P-2044
- Integrated IR Repeating System
- Volume indicator LED lights

Volume Control

- **A0129**
- Single Zone Volume Control for the A0350 and A0240 in-wall amplifiers
- Integrated IR Repeating system
- Mute and power button

WALL DOCKS

On-Wall Dock for iPod

- **A0315**
- Local source iPod Dock
- Charges iPod
- 30 pin connector
- Use with A0350, P-2044 or P-2014

Bluetooth Music Streaming and On-Wall Dock for Android

- **A0318**
- Bluetooth streaming wirelessly or while your phone is docked
- Charges Android phones
- Mounts in a Standard 2-gang box

Bluetooth Music Streaming and On-Wall Dock for Android

- **A0320**
- Bluetooth streaming wirelessly or while the phone is docked
- Charges Android phones
- Provides a standard RCA line level audio output up to 300' away
- Can be used with any audio system

ACCESSORIES

CAT5 Local Source Repeating Module

- **A0301**
- Automatically senses audio to override main audio source
- IR emitter output
- Analog audio input

A/V System Remote Control

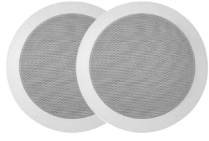

- **A0505**
- Easily controls your whole-house audio/video system
- No programming necessary
- For use with P-1044, AB-134W, A4601, A4623, A4400/A4400R, AB-313, A0312, A0314, A0350, P-2014, P-2044

SPEAKERS-10 YEAR WARRANTY

IN-CEILING SPEAKERS

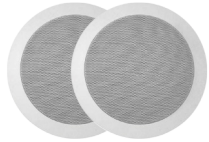

Builder Series 5.25" In-Ceiling Speaker

- IC504
- 5.25" in-ceiling loudspeaker
- Polypropylene woofer with butyl rubber surround
- Sold in pairs

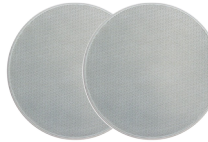

Soprano Series 5.25" In-Ceiling Speaker

- IC514
- 5.25" high performance 100W speaker
- Kevlar woofer with 1" pivoting tweeter
- Sold in pairs

Builder Series 6.5" In-Ceiling Speaker

- IC608
- 6.5" in-ceiling loudspeaker, 120 Watt
- High compliance polymer tweeter
- Polypropylene woofer with butyl rubber surround
- Sold in pairs

Soprano Series 6.5" In-Ceiling Speaker

- IC615
- 6.5" high performance 120 watt speaker
- 1" ferrofluid cooled silk dome tweeter
- Ultra-thin bezel magnetically mounted grill
- Sold in pairs

NEW Soprano Series 6.5" Angled In-Ceiling Speaker

- IC626
- 6.5" high performance speaker
- 15° angled woofer
- Ultra-thin bezel magnetically mounted grill
- Sold individually

NEW Soprano Series 8" Angled In-Ceiling Speaker

- IC826
- 8" high performance speaker
- Pivoting tweeter technology with 1" voice coil
- Ultra-thin bezel, magnetically mounted grill
- Sold individually

NEW Soprano Series 8" In-Ceiling Speaker

- IC815
- 8" high Performance Speaker
- 1" ferrofluid Cooled Silk Dome Tweeter
- Ultra-thin bezel, magnetically mounted grill
- Sold in pairs

NEW Soprano Series 6.5" Dual Voice Coil In-Ceiling Loudspeaker

- ID653
- 6.5" high performance in-ceiling loudspeaker
- Kevlar woofers with butyl rubber surrounds, magnetic grill
- Sold individually

NEW Soprano Series 8" Dual Voice Coil In-Ceiling Loudspeaker

- ID853
- 8" high performance in-ceiling loudspeaker
- Kevlar woofer with butyl rubber surrounds
- Magnetically mounted grill
- Sold individually

NEW 8" In-Wall Subwoofer

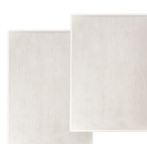

- IWS8
- 8" subwoofer
- Frameless, magnetically attached grill
- Includes round and square grilles
- Poly woofer with butyl rubber surrounds
- Sold individually

IN-WALL SPEAKERS

Builder Series 6.5" In-Wall Speaker

- IW603
- 1/2" polymer tweeter
- Small perforated designer grill
- 3.7" depth
- Pre-construction bracket (IWRB603)
- Sold in pairs

NEW Soprano Series 6.5" In-Wall Speaker

- IW615
- Pivoting 1" tweeter, 120 Watts
- 6.5" butyl rubber surround with 20 oz. magnet
- Ultra-thin bezel magnetically mounted grill
- Pre-construction bracket (IWRB615)
- Sold in pairs

NEW Soprano Series 5.25" LCR In-Wall Loudspeaker

- LCR525
- 5.25"; dual, 2-way frameless in-wall loudspeaker
- Poly woofers with butyl rubber surround
- 150 Watts
- IR Knockouts
- Sold individually

Soprano Series 8" In-Wall Speaker

- IW814
- 8" high performance 160 Watt
- Pivoting 1" voice coil, enclosed, rare earth neodymium magnet
- 8" Kevlar, butyl rubber surround with 24 oz. magnet
- Pre-construction bracket (IWS80B)
- Sold in pairs

OUTDOOR SPEAKERS

Soprano Series 5.25" Dual Voice Coil Outdoor Speaker

- OS520-B
- Stereo sound, 150 watts
- Weather resistant aluminum grill
- Dual voice coil
- 5.25" polypropylene
- Sold individually

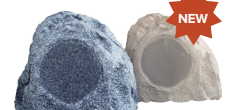

Soprano Series 5.25" Outdoor Speaker

- OS526
- Weather resistant aluminum grilles, brackets and stainless steel hardware
- UV protected cabinet resists sun fade
- 5.25" woofer with 20oz magnet
- 160 Watt
- Sold in pairs

Soprano Series 6.5" Outdoor Speaker

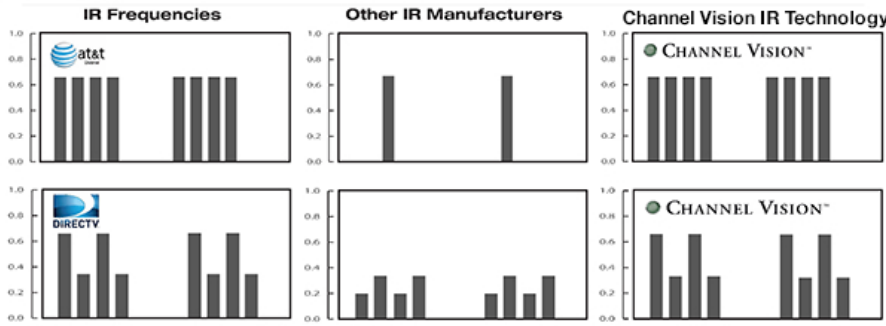

- OS611
- Weather resistant aluminum grilles, brackets and stainless steel hardware
- UV protected cabinet resists sun fade
- 6.5" woofer with 20oz magnet
- 200 Watt
- Sold in pairs

Soprano Series Dual Voice Coil Rock Speakers

- RS801-GR / RS801-SA
- 8" high performance 160 watt speaker
- Waterproof tweeter with 1" voice coil
- Polypropylene cone woofer with butyl rubber surround
- Sold individually

IR REMOTE CONTROL

Frequency levels of Channel Vision's Uverse® Ready, IR Repeater Systems compared to other IR systems using AT&T Uverse® cable boxes.

Channel Vision Uverse® Ready, IR Receivers are specifically designed to function flawlessly with the most popular cable boxes. With self-modifying software that adjusts to the IR code of each equipment provider and adjustable emitter outputs to accommodate sensitive equipment, our IR Repeater Kits give users truly reliable performance.

IR REMOTE CONTROL KITS

NEW Uverse® Ready, IR Repeater System All-in-One Kit

- IR-5001
- Advanced IR performance
- Status LEDs for IR signal indication
- Adjustable emitter strength
- 3 mounting accessories included

NEW Low Price IR Repeater Kit

- IR-5010
- Receiver can be 1000 feet from hub
- (1) IR Receiver - IR-2400
- (1) IR Hub - IR-1203
- (2) Dual head IR emitters - IR-3002
- 12 VDC power supply included

NEW Uverse® Ready, IR Repeater Kit

- IR-5011
- Receiver can be up to 1000 ft. from hub
- Adjustable emitter strength
- (1) IR Receiver - IR-2401
- (1) IR Hub - IR-1204
- (2) Dual head IR emitters - IR-3002

NEW Elite Series Uverse® Ready IR Repeater System

- IR-6001
- Status LEDs for IR signal indication
- (2) Dual head IR emitters - IR-3002
- Advanced IR performance
- Adjustable emitter strength

IR REMOTE CONTROL

IR Repeater Distribution Module

- C-1201
- Combines signals from 8 IR receivers
- Provides 1 simple output to your amplified IR repeater hub
- Mounts in Channel Vision's structured wire enclosures

IR Repeater Amplified Hub

- IR-1203
- 4 IR emitter ports (up to 8 IR emitters)
- Status LEDs for power and IR Signal indication
- 12VDC power supply included

NEW IR Repeater Amplified Hub

- IR-1204
- 3 IR Emitter ports (6 IR emitters)
- Adjustable emitter strength (1 port)
- Status LEDs for power and IR Signal indication

J-Box IR Repeater Receiver

- IR-2005
- Designed for use with single or multi-room IR Repeater Systems (IR-2400 inside)
- Includes decorator style trim ring

IR Repeater System Receiver

- IR-2400
- Mini IR receiver head, desk top or bullet in single port
- Plasma, sunlight, LED proof

NEW Uverse® Ready, IR Receiver Hub

- IR-2401
- Perfect IR Repeating with Uverse®, Cisco®, Motorola & Scientific Atlanta
- Plasma, sunlight, LED proof
- Mini IR Receiver head, tabletop or bullet type mounting options in single port.

IR Repeater System Emitter

- IR-3001
- Single IR – Emitter/Flasher

Dual Head IR Emitter

- IR-3002
- Dual head IR emitter

IR Repeater Over Coax Engine

- IR-4000
- 4 IR receivers with one power supply
- Maximum distance to IR Repeater emitters is 500ft. *Use with IR-4101 Only

IR Repeater Over Coax Receiver

- IR-4101
- Coax IR Receiver
- Compatible with: IR-4000, E2200IR, E4200IR, P-0321, and P-0328

IR Bypass Cable

- IR-4180
- 3.5 mm mono connector to 3.5 mm stereo connector
- Use with audio stereo plug
- Use with IR over coax

IR Breakout Insert

- G-IRB-W
- 3.5 mm plug for IR receivers or emitters
- 3-wire terminal connection
- Great for 3.5 mm audio to CAT5 conversion
