

LB4™

ALL-ENVIRONMENT OUTDOOR SPEAKER

BIG SOUND IN A SMALL PACKAGE

FULL RANGE, ALL-ENVIRONMENT OUTDOOR SPEAKER

The **NEAR**® LB4™ loudspeaker is elegantly designed, rugged to the extreme, and a snap to install. In fact, it offers two mounting methods: our Signature (Ball & Socket) wall-mount bracket, and the very handy stake-mounting accessory for installation in gardens and around other outdoor entertainment areas. The LB4™ shares the same advanced technologies as the other NEAR LB Series models, including metal-alloy speaker cones and dense-packed mica-filled polypropylene enclosures.

This **NEAR** outdoor speaker system is extremely versatile and allows for imultiple configurations. You can give any client the ultimate in sound for outdoor entertaining, whether a palatial estate or a modest backyard.

For more information, call your **NEAR** sales representative today at (855) 350-6327 or please visit our website at www.nearspeakers.com.
